Sale or Lease
Immediate Delivery

In 2013 DHC-6 MSN 082 underwent a High Gross conversion at Ikhana Aircraft Services in Murrieta, California giving it 300 series capabilities. The project involved comprehensive upgrades including engines, propellers, landing gear, paint, new interior, avionics, re-wiring, 300 series emergency exits, and many other modifications including float attach fittings.

The aircraft has been on lease expiring April 2024. It will be delivered according to the following specifications with a **fresh year 1-5 CPCP**, **overhauled propellers** and **recently overhauled MLG**.

Manufacturer:
De Havilland

Model:
DHC-6-200HG

Year of Manufacture:
1967
